

QTHP-HYDL Calibration Oil

MATERIAL SAFETY DATA SHEET

Section I

Product Identification

Manufacturer's NameAcme Refining
Telephone No.....(216) 961-6900
Address3591 West 56th Street Cleveland, Ohio 44102
Trade Name.....Acme Premium AW Hydraulic Oil Light
Date.....March 1, 2009

Section II

Hazardous Ingredients

Component Name	Percent (optional)	TLV (Units)	C.A.S Reg. No.
----------------	--------------------	-------------	----------------

SARA Title III Section 313

No item listed in section 313 is present in this product in a reportable quantity.

In event of oil misting - 5 mg./cubic meter

Section III

Physical Data

Prox. Boiling Point C:..... N/A
Freezing Point..... N/A
Volatility/VOL (%)..... N/A
Vapor Pressure (mm Hg) @ 20 C..... N/A
Vapor Density (air = 1)..... N/A
Solubility in H2O..... Insoluble
Appearance Clear amber liquid
Specific Gravity 0.87
Evaporation Rate N/A

NFPA Hazard Identification

<u>Degree of Hazard</u>	<u>Hazard Rating</u>
Health: 1	0 - Least
Fire: 1	1- Slight
Reactivity: 0	2-Moderate
	3-High
	4-Extreme

Section IV

Fire and Explosion Hazard Data

Flash point F 400 F. COC

Lower Explosive Limit N/A
Upper Explosive Limit..... N/A
Extinguish Media..... Use carbon dioxide, foam, fog, or dry chemical
Fire & Explosion Hazards..... None
Fire Fighting Procedures..... Handle as a petroleum fire, Avoid smoke inhalation, wear self-contained breathing apparatus.

Section V

Health Information

Carcinogenicity:	NTP?	IARC Monographs?	OSHA Regulated?
	NO	NO	NO

Effects of overexposure: Mild irritation of eyes and skin. Ingestion: May cause nausea and vomiting

Medical conditions aggravated by exposure: Allergy, Eczema or skin conditions

First Aid:

Eye contact: Flush with water until irritation subsides

Skin contact: Wipe off with dry cloth, Wash thoroughly with soap.

Inhalation: Remove individual to fresh air.

Ingestion: DO NOT induce vomiting, drink water or milk.

Section VI

Reactivity Data

Chemical Stability..... Stable

Conditions to Avoid..... None

Incompatible materials..... Strong oxidants

Decomposition Products Co.,and other Asphyxiates

Hazardous Polymerization..... Will not occur

Section VII

Spill, Leak & Disposal Procedures

Action to take for spill: Soak up with chemical absorbent. Shovel into a container for disposal.

Disposal method: Dispose of in accordance with all local, state, and federal regulations.

Section VIII

Special Handling Information

Ventilation

• Local exhaust: Recommended

• Respiratory protection: None required for normal conditions.

Protective Clothing: Chemical resistant gloves, safety goggles

Handling and Storage: Keep container closed when not in use.

Other Precautions: Do not reuse empty containers. Do not pressurize or expose containers to heat or flame.

Keep closed when not in use.

The information supplied above is presented in good faith and has been derived from sources believed to be reliable.
